

Tradelink Silver Jubilee Celebration Customer Dinner

(12 July 2013)

To celebrate Tradelink Silver Jubilee year, a festive Gala Dinner was held on Friday July 12th at Langham Place Hotel. More than 200 customers enjoyed a very joyful evening full of fun and laughs!

Mr. Andrew Cheng, Deputy Chief Executive Officer of Tradelink, delivered the opening speech and said, "Tradelink stands firmly as a pre-dominant leader in the e-commerce market over these years. We would not have achieved the success we have today without the continued support of our loyal customers. I'm so excited to be here today to celebrate our 25th anniversary as a key milestone with our customers. Going forward, we pledge to continue delivering quality services to meet customers' needs!"

The spectacular LED dance show kicked off the dinner. While enjoying the delicious dishes, customers participated in some fun and creative games, including music bingo and quiz contests, with fabulous cash prize awards to winners. The humorous jokes by master of ceremony Joe Yau and amazing vocal performance by talented singer Fung Man Lok, brought endless laughs and cheers from our guests. As always, the event was ended with the lucky draws as the highlight.

Guests' comments

A good choice of the venue as the location is convenient and the food is delicious.

The program was well-organized and the whole evening was full of joy!

The games were fun and creative. Everyone participated and had a great time!

The event has been organized professionally, well-planned program with lots of interesting games and entertainments!

There were a lot of fabulous prizes which we all love!
